RemodelOhio Features for 2010

The Home Décor Pavilion, presented by Justice & Company

Designed for people passionate about their homes, condos and apartments the Home Décor Pavilion will provide ideas on today's interior design trends, products and services. There will be seminars and interactive demonstrations all day, every day.

The Smart Kitchen from Artistic Renovations and Sundance LTD

This kitchen of your dreams will include all the latest "smart" technology, appliances, products and amenities seen in today's premier kitchens.

Your Healthy Home

You'll be inspired to keep your New Year's resolution when you see the home fitness equipment, spa and sauna featured here. Your Healthy Home includes ways to "go green" with products and services designed to keep your family and home healthy. You'll learn how by attending seminars, demonstrations and speaking with the experts!

The Cooking Stage

Where technique meets technology. See some of the area's top chefs who demonstrate and share their tips and recipes at this popular show destination. Meet **Eric Williams of Momocho, Matt Fish of Melt Bar & Grilled, "Homemade Pasta Made Easy" by Ohio City Pasta, Romeo's Pizza, Tree Huggers Café, Corleone's and much more!**

The Learn-How Stage

Attendees will "learn how" to tackle those small home projects on their own - from Staging Your Home to Sell, 10 Things to Consider Before Remodeling Your Kitchen, Faux Painting and How to Install Ceramic Tile.
