Celebrity Designer Vern Yip Comes to 2010 RemodelOhio Show *"Less is More with his Creations"*

(Cleveland) -- Producers of the **2010 RemodelOhio Show** (www.RemodelOhio.org) are proud to announce **celebrity designer Vern Yip**, of TLC's *Trading Spaces*, NBC's *Home Intervention*, HGTV's *Next Design Star* and *Deserving Design*, will be conducting seminars the afternoon of Saturday, January 23 at 3:30 and 6:00 p.m.

Vern will share his knowledge, discuss the latest design trends, answer questions and sign autographs.

"We're thrilled to have such a well-liked and talented designer as part of our show", says Kathy Masterson, Executive Director of **Professional Remodelers of Ohio (PRO)** www.PROohio.org, the organization producing the show, which runs from January 21-24, 2010 at the IX Center in Cleveland.

Recognized on the street, in home improvement centers and in public venues across America, Vern has been prominently featured in various wide-distribution publications such as Entertainment Weekly, The New York Times, and USA Today, and is frequently seen on television shows such as NBC's The Today Show, CBS' The Early Show, The Oprah Winfrey Show, CNN and Live! With Regis and Kelly.

Vern runs his own design company in Atlanta, **Vern Yip Designs** www.vernyip.com, where design tips are dispensed and top quality products, designed by Vern to offer great consumer value, may be purchased.

"He has built a distinguished business, where his creations and room transformations range in budget from the notoriously frugal to eight-figure projects for high-end clients nationwide," said Masterson.

Many elements of his creations and eclectic style demonstrate an influence from childhood travels throughout Asia, Latin America and Europe. Often with Vern's designs, less is more and something in the room always "pops" due to its graphic nature.

The Award Winning **2010 RemodelOhio Show** (National Consumer Show of the Year in 2008) will feature over 300 displays and seminars, with many of the area's best contractors all under one roof, at the IX Center from Thursday, January 21 to Sunday January 24.
